4. Unable to add infographics/images in blogs

We don't have the German language (instead we have

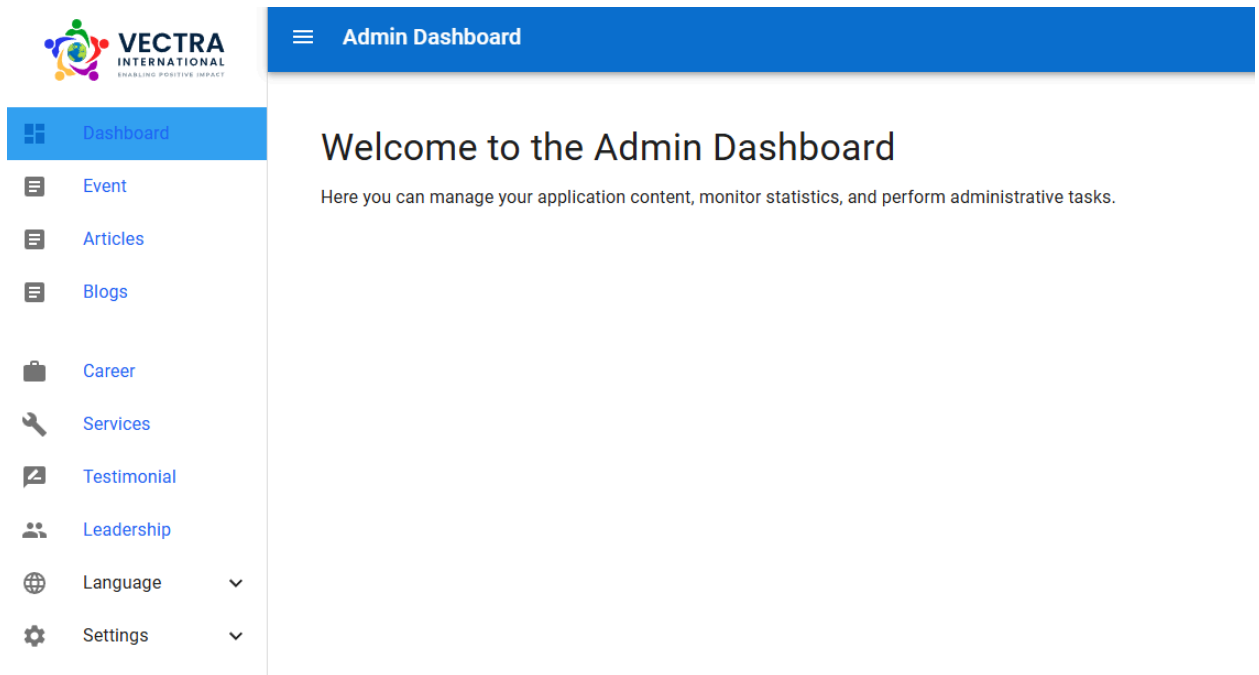

Added by Ankit 20 May

Added the event in english but its not visible anywhere

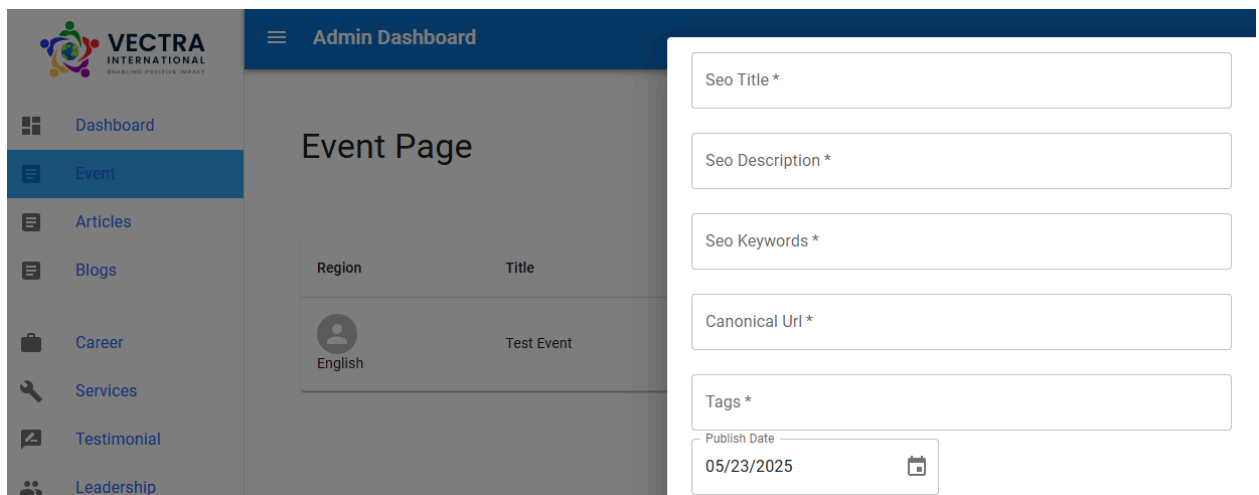

I. Dashboard is empty

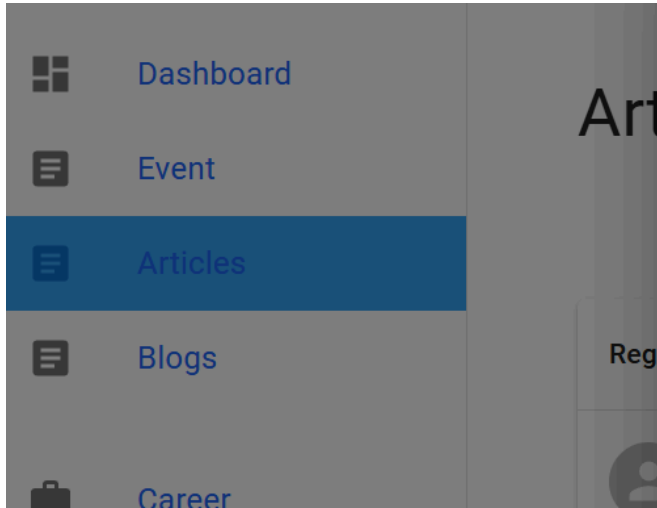

II. Event Page:

1. Must have an End Date. All finished events must be archived or marked as "Past Events"
2. How to edit this page? How to add assets like images, forms, and videos?
3. Where is the Preview button to check the event page?

III. Articles:

1. It says Blog Preview, must be Article Preview

Author *

Eius doloremque error.

Region *

p

pt

 Blog Preview

2. How to add images, videos, or codes in the content section?

Content

[illegible]

3. This section is not working. I added a photo. It wasn't updated after saving.

Blog Preview
